Local Educational Visits

Sometimes during the course of a school day the class teacher may take the class out to the local shop/postbox/library/church/streets/animal park as part of a topic or other class work.

I agree that my child may take part in any short visits to local venues which may be arranged during his/her time at Ryefield Primary School.

Head Lice

I agree to a member of the school staff checking my child's hair should it be suspected that there may be a possibility of the presence of head lice

Library Books

I am willing for my child to bring a book home from the school library and I am prepared to make a contribution towards a replacement book should the book become lost or damaged while in my child's care

E-Safety

I agree to monitor and supervise my child at home whilst using the internet at all time and ensuring that they are only using age appropriate sites.

IMAGES CONSENT

Occasionally members of staff may use images of children in their classroom or elsewhere in the school. The school will not seek parental consent to use images of children solely on school premises; however, if parents do not wish their child's picture to be taken or shown on school premises, they should put this request in writing to the Headteacher.

Occasionally we may take photographs of the children at our school. We may use images in our school prospectus or in other printed publications that we produce, as well as on our website and social media. We may also make video or webcam recordings for school-to-school conferences or other external use.

To comply with the Data Protection Act 1998, we need your permission before we can photograph or make any recordings of your child.

- **Can we use your child's photograph in the school prospectus and other printed publications that we produce for promotional purposes?**
- **Can we use footage of your child on the schools digital platforms?**
- **Can we use your child's image in the media?**
