

Medicines

We ensure that our medical records are up to date and any care plans ensure that we provide the appropriate level of support for your child. I cannot stress strongly enough that parents need to inform us of any changes.

If your child uses an asthma inhaler at home - we **need** to know about it. The school can then add your child to the asthma register. An inhaler can be made available at school for them to use should they have an attack.

If your child has allergies (such as food or stings) which require medical attention such as cetirizine or an epi-pen. - we **need** to know about it. A care plan can then be put in place.

In order to ensure we are best placed to support your child and protect our staff parents have a responsibility to let the welfare team know of any medical changes. They **must** be communicated to the welfare team.

Be prepared for warm weather!

We're hoping for a glorious warm summer once again and as it approaches we would like to remind you of a few school rules relating to the warmer weather.

- Please ensure you apply sunscreen to your child before they come to school to protect them throughout the day.
- Please supply your child with a sunhat and appropriate uniform for the weather.
- Children should bring a bottle of water to school to keep them hydrated during the day. (Children have access to water in class and at lunch as well as the water fountains around school)
- Sunglasses should not be worn unless they are prescription or for medical reasons.
- If your child suffers from hayfever please ensure they take their medication before school so to last them throughout the day.
