

Congratulations Year 2 & 6!

As we head towards the end of the year, staff and pupils have been looking at their moments to celebrate. Firstly we would like to congratulate all the staff for all their hard work to ensure that your children are ready for the next phase of their education. Year 2 outcomes continue to show year on year improvement and this is a testament to the hard work of the KS1 team - who in turn benefit from the excellent foundation established by our EYFS teachers and TAs.

Year 6 have also worked especially hard towards their end of KS2 SATs. The results came in on Tuesday and we were very pleased with them - they are the **highest** results the school has achieved! All of Year 6 engaged with their learning and did their best to improve/act upon any advice given - whether that be from a member of staff or an expert learner in the class. Y6 have been a fabulous group of children and their outcomes are well-deserved, but more than this they have grown up into fabulous young people who continue to be ambassadors for the school.

Whilst there remains another week of school - full of special assemblies, performances of Romeo and Juliet, Talent shows and prize giving - we do expect the children to continue to attend school until the end of term.

Striving for Excellence

Year 5 Camping

Camping

2019

A busy start to Tuesday ensured that all the children were either dropped off, or transported from school, to the Willow Tree camp site. A fun-packed two days followed - stuffed with fabulous activities such as raft building, night-line, climbing, orienteering, karaoke (!), arts, crafts, toasting marshmallows and camp-fire songs.

The children had a great time - it was a wonderful opportunity for them to develop their own independence and resilience.

On all of our residential trips we do try to give updates and photos - please realise that we cannot take individual requests for pictures or provide personalised reports on how your child slept/ate.

This is an opportunity for your children to grow, make independent choices, forge new friendships and test themselves in new surroundings.

This is the first step in your children readying themselves for secondary school and your support in this matter is greatly appreciated.

I must also say a massive thank you to all of the staff who gave up their evenings and time away from their own families to allow this trip to happen.

Laser tag

Ryefield school & Events 2U have teamed up to provide your children with an amazing, action packed day on the 22nd July.

Events 2U will provide lots of different games and entertainment like Laser Tag, inflatables games, bouncy castle plus much more!

Bookings are only made online - [Click Here](#). Bookings will close on 17th July 12pm.

Party in the Playground - Saturday 13th July

Friends of Ryefield are hosting the Party in the Playground tomorrow - everyone is welcome. Tickets are available to purchase at the gate - £5.00 for an individual ticket and £20.00 for a family ticket (up to 5 people).

You are welcome to bring your own food, drink (including alcohol), rugs, chairs etc. No sparklers or personal fireworks are to be brought onto the school premises.

**Gates will be closed at 8.00pm.
No admittance will be allowed after this time.**

Year 6 Show - Tuesday 16th July

Performances at: **10.30am, 2.00pm and 5.00pm.**

A letter has been sent home with Year 6 children regarding tickets - if you haven't received one, please speak to Mrs Dearing. Please return any tickets which you are not able to use as soon as possible. It would be a great shame if we have empty seats.

The content of Romeo and Juliet is not suitable for children in KS1 and younger and therefore they will not be admitted. Due to the nature of immersive theatre and health and safety, this is not suitable for pre-school children or babes in arms.

KS2 will be watching on Monday 15th July during school.
